Re: **Report of Underwater Abandoned Pipeline Facilities in Louisiana  
Operated by The Dow Chemical Company**

Dear Mr. Roger Little,

We are forwarding to you our report of underwater abandoned pipeline facilities in Louisiana operated by The Dow Chemical Company. This report represents all the pipeline facilities which cross under, over or through navigable waterways and any and all reasonably known information about abandoned pipeline facilities that were owned/operated by us at the time of abandonment.

We are faxing, along with this cover letter, the copy of our report to you at FAX number (202) 366-4566. If there are any questions, feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Joey Durr".
